## We create unforgettable memories in your story

Welcome to Mas Carreras.

Mas Carreras 1846 is a traditional farmhouse that combines history, wellness, and luxury in the Empordà.

With 11 rooms equipped to accommodate more than 22 guests, this restored country house offers an exclusive lodging experience while preserving many original architectural and decorative elements, such as the stone oven, the ancient cellar, and the imposing stone walls that showcase the craftsmanship of over 174 years ago.

Additionally, its strategic location, just minutes from El Cellar de Can Roca, considered one of the best restaurants in the world, and 20 minutes from the Costa Brava, makes it an ideal destination for food lovers and those looking to enjoy rural luxury.

A large, mature weeping willow tree stands prominently in the middle ground, its long, drooping branches creating a dense canopy. The background shows more trees and a clear sky.
